Adams-Friendship Area School District

| | | | |
|-----------------|--|--------------|--------------------|
| Street Address | 201 W. 6th Street Friendship, WI 53934 | Contact Name | Carol Jefferson |
| Mailing Address | 201 W. 6th Street Friendship, WI 53934 | Phone | (608)339-3213 x210 |
| Profile | The Adams-Friendship Area School District boasts of strong academic and co-curricular programs. Our district has a proud tradition of Preparing Students to Perform for Life. Throughout the area, state, and country you will find graduates of the Adams-Friendship Area School District who are successful in their chosen career area and are contributing citizens as well. | | |

The school district has three (3) elementary schools, one (1) middle school, and one (1) high school to serve residents of the area. There are educational programs designed to meet the individual needs of all students including those in talented and gifted programs as well as those who may have an exceptional education need.

Our students benefit from small teacher to student ratios as well as the individual attention that is realized in a small, safe school district. The South Central Instructional Network Group (SCING), of which the Adams-Friendship Area School District was a founding member, provides an opportunity for advanced and expanded coursework over a distance-learning network.

Students of the Adams-Friendship Area School District compete at the local, regional, state and national levels in a number of activities. Just a few examples of these activities would include: athletics, forensics, Future Farmers of America, Health Occupations Students of America, Student Council, Knowledge Master, Future Business Leaders of America, and Distributive Education Club of America. The district recently had a National Merit Scholarship Winner, state championship dance team, state championship Spanish Forensics Team, and qualifiers for competition at the national level in the areas of HOSA and DECA.

Quality education of this kind does not occur without strong community support. The district completed a \$15 million dollar building project that resulted in a new High School and remodeled facilities throughout the area.
